LARGE FIELD IN RACE FOR HARBOR HILL CUP

Twenty-nine Named to Start in To-morrow's Big Event at Piping Rock.

The largest and best field that ever started for the Harbor Hill cup is likely to go to the post to-morrow afternoon on the first day of the Piping Rock Racing Association meet at Locust Valley.

Twenty-nine are named to compete for the trophy given annually by Clarence H. Mackay, which is emblematic of the three-year-old steeplechase championship. The Harbor Hill will be the big event on the opening day, with the Piping Rock Subscription Steeplechase reserved as the headther for the closing day next Tuesday.

Many of the Harbor Hill candidates have raced over the jumps in preparation for the event and some of them have gained winning brackets. Mortimer L. Schiff, who races under the name of the Northwood Stable, probably will supply the favorite in Bill Dudley.
